CHOCOLATE & CANDY

ABOUT US

We continue our industry journey which we started in 2016 with the aim of continuous innovation and being able to produce different products with roughly 150 employees in our production facility developed with the latest technology.

At the same time, We can also produce **KOSHER** and **HALAL** products in our production facility with international quality standards such as **ISO, IFS, HACCP**. We are able to respond to private label production demands for our customers thanks to our strong **R&D** team.

In order to give our consumers an instant smile by serving them the Most FUN, Most **COLORFUL, SWEETEST** Products;

We combine our over 50 years knowledge and experience with the innovative ideas of our young generation employees and deliver our products to our consumers through our business partners located in more than 50 countries in the world. We constantly research and improve ourselves for products that will attract today and future's generation.
